

Highland Theatre Company
Fair Share Deposit Agreement

Congratulations on being cast in this production. In an effort to defray the cost of our productions, Highland Theatre Company cast members are asked to fundraise. Most of our fundraising efforts are focused on collecting sponsorships from individuals and businesses and selling ad space in our programs. In the past, this has been an effective fundraiser for our organization. Unfortunately, in recent years cast members have decided not to participate in this fundraiser. As a result, Highland Theatre Company must institute a Fair-Share Deposit policy. Before a cast member will be issued a script, he or she must turn in a \$25.00 check. If the student decides not to participate in the sponsorship & ad fundraiser, the \$25.00 deposit will be retained upon completion of the production. Should the student decide to participate in the fundraiser, the check will be voided and returned.

Please sign below as an indication that you understand the details of the Fair-Share policy. **Please return the bottom portion of this sheet with your \$25.00 check made out to Highland High School.**

I understand that I have a responsibility as a member of the cast\crew of this production to take part in this organization's fundraising efforts. I understand that if I fail to participate in the fundraiser, my \$25.00 deposit will be retained.
